

Pick-up – Hideaway

«Sometimes you have to be silent to be heard»

Pick-up – Hideaway is a diptych, which deals with the relationship of body and mind focusing on the position of the corporal consciousness in the new Millennium. The work consists of two photographs [c-print mounted on alu dibond, 35mm x 35mm, 2001]. One with the title *pick-up* the other with the title *hideaway*.
